Fan Experience Tour

Special Olympics Southern California changes hearts and minds daily through sports. Take a tour of Fall Games to see how we are spreading acceptance and inclusion for all and transforming communities.

On this tour, you will get to cheer on the athletes and learn about Special Olympics Southern California, Healthy Athletes, Young Athletes and more. The whole tour will take about one hour, and you will get to meet some of our Board of Directors and athlete leaders, who will be leading the tour.

Look for the Fan Experience Tour Stop signs to make sure you are in the right spot for the tour. We will be only doing two tours each day so make sure you do not miss your close up view of Special Olympics Southern California.

All tours will begin at the Fan Experience Booth located in the festival area.
